Advance Disco

THE SKILLS AND EXPERIENCE TO MAKE YOUR NIGHT A SUCCESS

 www.facebook.com/motiv8dvd

As a mobile DJ, I love weddings because every audience is different.

I'm not a typical DJ with a standard set of party songs. I play a mix of prior requests and party classics, studying what gets the best response on the dance floor, then tailoring the music as the night progresses.

I have over 35 years experience as a DJ, and I have developed the skills to judge exactly what music to play, to ensure you and your guests have a memorable night.

You are very welcome to include your requested songs in advance, verbally on the night or by mobile phone.

I feel lucky to play in some of the most beautiful venues in the Lake District. I have a modern and very smart disco set-up that will give the 'wow factor' in any venue, and create a good atmosphere.

You played a perfect balance of our favourites and other requests. Everybody said how much they enjoyed our wedding disco.

Andrea and Paul – Langdale Chase

We just wanted to thank you for DJing at our wedding. We really enjoyed the mix of songs. Also, the lights you used were fantastic, and the surprise video was delightful.

Rachel & Simon – Daffodil Hotel

During the planning process you were very professional and easily contactable and you helped to make our day perfect.

Kayleigh and Joe – Inn On The Lake

IN THE MIX AT HOME

I will DJ personally at your celebration, and I will not employ or sub-contract other DJs. For that reason, my availability is strictly limited, with popular dates being booked 12 to 18 months in advance.

With all the organising going into your event, I can offer the piece-of-mind that comes with booking a professional and reliable DJ.
