Our wedding video service is exclusively dedicated to weddings in Cumbria and surrounding counties.

We offer three wedding filming packages with many unique ideas to make your wedding film a joy to watch.

Our aim is to produce a beautiful yet emotional wedding video without intruding on your special day.

We will produce a wedding film co-ordinated with your wedding colours to compliment the best day of your life.

Thank you for our wedding video, great to watch back and you captured so much of our day that we missed! Love it!

Mark & Dominique – Edenside Golf Club

It's so lovely, particularly as you have captured all our family and friends all smiling and laughing, both before and after, allowing us to see new aspects of the wedding. Perfect!

Rachel & Simon – Daffodil Hotel

The pictures are a terrific reminder of the day, you really caught the event for us and there are so many things that went on that we didn't see.

Thank you it's excellent you have done a great job.

Jackie & John – Castle Inn Hotel
